

# Advance your career with a graduate or professional studies degree.

Students with a St. Joseph's College graduate degree receive an array of benefits, including career flexibility and management training. Through our diverse course selection, you will be exposed to a wide range of subjects and industry opportunities.

At St. Joseph's College, we design our schedule to match yours. Our programs are full of working professionals and parents seeking their degree or certificate from a respected institution that recognizes the important balance between work, school and family. Plus, graduate students have the added bonus of an exceptional education with tuition among the lowest of private colleges in New York, small class sizes, and personal academic and career advising.

\*Make a virtual appointment with a counselor via Zoom, phone, text or in person.

\*Northwell Health, Catholic Health Services of Long Island and Long Island Community Hospital employees benefit from a 25% non-transferable corporation scholarship when enrolling in land-based programs.

Contact us online at [sjcny.edu](http://sjcny.edu), by phone at **631.687.4503**, or in person at **155 W. Roe Blvd. in Patchogue, N.Y.**
